SKYRIDGE	Heather Watkins	3rd	Accelerated Math Learning Cards. The purchase of learning cards to teach specific standards to groups of students.	The teacher will be able to teach mini lessons that meet the specific needs of students as they progress through the 3rd grade AM library.	\$200.00	\$200.00	X		
	Faith Hodkin and Doris Chandler	K-5	Office Camera. An updated digital camera for use by office personnel, health clerk, and other staff for archiving classroom events.	To purchase a camera for pictures depicting current events at Skyridge for health alerts given to teachers, cafeteria staff, and noon duties, Student of the Month photos, pictures of assemblies, special classroom events.	\$250.00	0.00			X
	Lynn Beckler	2nd	Listening Center. To purchase a 4 student listening center with hook-ups and sturdy head gear, a small CD/tape player.	The teacher will be able to set up an area in the classroom for language and listening at a 2nd grade level, and also to include listening comprehension skill feedback.	\$250.00	\$40.00	X		
	Laurie Westsmith	2nd	Accelerated Reading Tests. To purchase AR tests to provide much needed practice in reading comprehension for students who are just beginning to read or who struggle with comprehension.	The school has a very limited number of lower level books/tests for AR. Beginning level readers can not participate currently because the books are too hard.	\$250.00	\$250.00	X		
ROCK CREEK ELEMENTARY	Patricia Burns	1st - 6th	Club Leo, Accelerated Reading Tests. To purchase bilingual books through Club Leo to promote bilingualism of EL's in the classrooms.	To help retain honor and appreciation of the Hispanic heritage and increase cognitive development in two languages related to their mother tongue.	\$250 - \$1000	\$250.00	X		
	Barbara Fralick, Pam McLain, Pam Patrick, Lysa Sassman, Ella Rossitto, Toni Jensen, Debbie Peterson	1st and 2nd	Magic School Bus Set. This project provides the 1st and 2nd grade students with an age appropriate, easily accessible, and highly entertaining supplement to the science curriculum and to Life Lab.	To purchase videos to enhance the science curriculum which will provide a fact-filled way to transmit important scientific information.	\$200.54	\$200.54	X		Focus of \$ on libraries. How does this impact the larger community?

ROCK CREEK ELEMENTARY	Kristi Hall	K thru 5th	Read Naturally. To purchase the updated version of Read Naturally (version 2.0) available for installation on the school's network.	The project will enable the use of Read Naturally with an unlimited number of students at the same time at a particular school. Every classroom could have access to the program so every student could work at the level of material appropriate for him/her at his/her own pace.	\$986.70	\$650.00	X		
	Lysa Sassman	K-5	Wireless Microphones. To purchase two additional wireless microphones for class and school presentations and productions.	Teachers and students are anxious to expand our sound system so that student speakers/actors can be heard in the MPR	\$1,000.00	\$500.00	X		
E.V. CAIN	Patricia Leftridge	7th	Renaissance Recorders. To purchase recorders and germicide to be used during the Renaissance Fair.	Students would be able to work together in a none traditoalsetting and create small ensembles and work on playing simple folk melodies that would allow students without music in their daily schedule to experience beginning music.	\$237.83	\$238.00	X		AEF doesn't fund consummables, field trips. Recommend they find other sources for funding.
	Gretchen Hecker	6th, 7th, 8th	Walkie-talkies. To purchase walkies talkies for use by the Noon Duty Supervisors for Student Safety.	The use of walkie talkies would increase safety and communication during playground and lunch hours, a method of quick communication is necessary. Three Walkie Talkies will help with communication between the six noon duty supervisors and the office.	\$750.00	\$820.00	X		
E.V. CAIN	Amanda Jaqua	8th	The Lexon Project, Part II. To purchase new dictionaries for CORE class to use at school.	The current lexicons are old and need replacing. Students need to work on vocabulary skills and need to know correct spelling of word origins. Dictionaries are critical to this skill. Many students don't have dictionaries at home and class use of dictionaries is essential and constant.	\$250.00	\$0.00			X Is it consummable? Is she coming back?

	Jim Kepfer	6th, 7th, 8th	New Base Clarinet. To purchase a new Bass Clarinet for the E. V. Cain bands to use.	The current bass clarinets are very old and in constant need of repairs. Having a bass clarinet enhances the sound of the band, and gives students the opportunity to develop new skills.	\$880.00	\$880.00	X		
	Bill Green	8th	Aids and STD Education. Five days of AIDS/STD Education to include parent night, epidemiology, prevention, risk factors, role playing, strategy games, AIDS speaker presentation and pre and post tests.	Health Ed. And strategies have been moved to EV Cain's P.E. Department. The state mandated AIDS education can't be found in science curriculum any longer.	\$1,000.00	\$1,000.00	X		Use the Alpha Smarts we currently own.
	Randy White and Matthew Metrock	6th	6th Grade Terrace and Garden. This project will construct a series of terraces on the hillside near the sixth grade village. Students will dig irrigation trenches and use available rock to create garden plots. They will grow flowers, vegetables, and herbs.	Through this project students will gain knowledge of irrigation techniques, soil composition, and gardening. They will see how they can apply what they learn firsthand.	\$250.00	\$250.00	X		
	Kelly Bennett	6th	Operation Book Replacement. This project will purchase a class set of each of the titles: <u>The Mahabharata</u> and <u>The Ramayana</u> . Both of these books support the study of ancient India which is part of the 6th grade Social Studies curriculum.	Through this project students will enjoy reading and learning through literature over just a textbook. These books will enrich the curriculum by not just depending on textbooks for	\$250.00	250.00	X		
E.V. CAIN	Steve Howe	6th	Compass/Map Skills. This project will purchase a class set of compasses for orienteering training. Compasses will be Brunton with adjustable declination.	Through this project students will gain real world skills and the idea of place and location. Students will not "fear" maps, and they will develop applicable math skills.	\$250.00	\$250.00	X		
	Marsha Dolkas	8th	The Lexicon Project. This project will buy dictionaries, up-dated with etymologies required by the new state standards. Each student will eventually have his/her own edition to use at school during class, with Greek and Latin root origins, as well as other derivational histories.	This project will satisfy the state standards that require extensive teaching of Greek and Latin roots to expand student's vocabularies. Current dictionaries are falling apart and haven't been replaced for 15 - 20 years.	\$1,000.00	\$0.00			X

	Hilve Osella	Kindergarten	P. E. Equipment. This project will purchase a portable basketball hoop for the kindergarten playground at the school to replace a broken hoop donated years ago by a parent. It will also purchase some Roller Racer scooters.	Physical Education is important to all ages for coordination and good health. These requested items will give more variety th the P. E. activities.	\$250.00	\$125.00	X		
	Doug Peterson & Joy Nesmith	K - 5th	Life Lab Rejuvenation. This project will rejuvenate and enhance the Life Lab by purchasing lumber, hardware, irrigation supplies, topsoil, compost and tools. Hopefully, there will also be enough money to build additional planting boxes.	After ten years of use, the planting boxes, irrigation system andk tools need rejuvenation.	\$1,000.00	\$1,000.00	X		
AUBURN ELEMENTARY	Lisa McBroom	2nd	Powerful CD Player for the Gym and/or P.E. Activities. This project will purchase a CD player to be used outside or in the gym for P.E. actdivities such as dance, rhythms and esercise.	The current CD players cannot be heard very well outside or in the gym. The goal is to incorporate music rhythm, dance to the P.E. curriculum to foster love for these areas.	\$250.00	\$250.00	X		
	Maryann Warmuth	K - 5th	Lunch Trays fpr the Cafeteria. This project will purchase 4 dozen lunch trays to match the current red ones already being used.	The last lunch currently has to used styrofoam trays because there are not enough usable trays at the school. Lunches look nicer served on plastic trays.	\$250.00	\$0.00			X
	Theresa Tucker	1st - 5th	Advanced Technology. This project will purchase the replacement of VCR's to DVD/VCR combination machines.	Our goal is to replace several machines at a time annually because many new state adoptions (including the new Soc. Std. adoption) come with the DVD.	\$1,000.00	\$0.00			X
	Susie Hardman	K - 5th	Staffroom/Lamination. 13" laminator. This project will purchase a smaller laminator than the oversized laminator we currently use for all laminating.	The addition of the 13" laminator would save waste and money, and it takes less time and electricity to heat.	\$500.00	\$0.00			X
	Nancy Lakoduk	1st - 5th	Tool Replacement. This project will replace tools in Life Lab.	Many tools are broken and there is need for more of them. Students will be able to work in the Life Lab and have tools to use.	\$250.00	\$0.00			X
	Joy Nesmith	2nd	P.E. Enhancement. This project is to secure P.E. equipment that the District does not supply which includes bean bags, stop watches, dance CD's and instructions, streamers, scarves, hurdle rises, cones, etc.	The current P.E. equipment is very limited and well worn. This would replace such equipment as well as widen the P.E. horizon to the chldren.	\$250.00	\$0.00			X
	Cathy Gower, Annette Ford, Carol Wright, Dawna Holmes	4th	Advanced Readers. This project will purchase books and tests for the 4th grade advanced readers to use with the Accelerated Reading Program.	Currently, there are a group of students who are reading well above grade level. There are a limited number of books with tests to meet their needs.	\$250.00	\$250.00	X
