

Fall 2007

AEF MINI, MAXI, SUSTAINING & OTHER GRANT APPLICANTS

9/25/2007

School	Applicant's Name	Grade Level (s) Served	Project Description	Purpose of Request	Amount Requested	Amount Funded Board	Date Notified		
							Approve	Review Again	Denied
ALTA VISTA	Gail Burch	4th - 8th	"Know It All" Science Activities. A fantastic DVD science series that will capture the attentions of all her students.	The series will be an effective resource to use with students to reinforce and review science facts and vocabulary.	\$250.00		X		
	Juliet Hamilton Leslie Vodden	3rd - 5th	Leveled EL Reading Materials. The Read Naturally ELL Series 3.0/3.5 is specifically designed to meet EL standards.	Alta Vista's EL students will improve in their language skills, vocabulary, comprehension and fluency in reading.	\$250.00		X		
	Valerie Jeppson	2nd	TV/VCR/DVD. To purchase a TV and VCR/DVD player and wall mount for Alta Vista 2nd grade room 9.	This medium will be used in connection with our Social Studies and Science curriculum for my students. It will also allow quest speakers to show their videos.	\$370.00	\$250.00	X		
	Barbara Whitley	K - 3rd	Trudy's Time and Place. This is for a "site license" and learning management system for Riverdeep <u>Trudy's Time and Place House.</u>	It is a wonderful program for our computer lab and will strengthen concepts of time and geography.	\$749.00			Reapply in Spring with information about the computer program included.	X
AUBURN ELEMENTARY	Jeanette Albrecht	K	Whiteboards. This is to purchase a small teacher whiteboard with storage, personal size whiteboards for students and dryerase markers.	The students would benefit from the extra practice of writing their letters, numbers, sounds and words. This would also make circle time more interactive.	\$250.00		X		

School	Applicant's Name	Grade Level (s) Served	Project Description	Purpose of Request	Amount Requested	Amount Funded Board	Date Notified		
							Approve	Review Again	Denied
AUBURN ELEMENTARY	Theresa Tucker Jody Hicks Nancy Koring Doug Peterson Carol Wright	3rd - 5th	Childrens Dictionaries and Thesauruses. To purchase as many dictionaries and thesauruses as the budget will cover.	To provide the necessary resources for whole class direct, specific instruction and to enhance reading, vocabulary and writing skills.	\$2,000.00	\$1,000.00	X	Submit for remaining \$1,000 in Spring	
	Gary Wells	K - 5th	Composting. The addition of a composting system, including large composting bins in the garden and compost (food waste) collecting in the cafeteria. This includes adding beneficial insects and wildlife to the garden with bat boxes, lady bug houses and bird and butterfly feeders.	This will decrease the amount of trash our school produces, while benefitting the health of our garden.	\$600.00		X		
DISTRICT OFFICE	Bonnie Magnetti	Pre - 8th	Vision Screening. A reliable vision screening for students using the SureSight Vision Screener.	This screener is small, lightweight, handheld and provides much more information than the old Titmus Screener. It is child-friendly and screens vision in just seconds. It would provide an accurate visual assessment for all mandated screenings, as well as screenings for those students with concerns regarding their ability to see.	\$1,000.00		X		
E. V. CAIN	Kelly Bennett	6th	Team Building. The project entails team building and leadership activities throughout the year where students learn to lead and be an effective team player.	Students will benefit from these activities by learning to be better team players and leaders in their school and outlying communities.	\$250.00		X		
	Mary Brassell	7th	Quizdom. This is a rich multimedia program that engages every child in the room in exciting lessons geared to mastery of specific state standards. It is a game format that keeps interest high.	A daily practice session both in a classroom setting and in intervention will engage students who often tune out regular classroom activities.	\$1,000.00		X		

School	Applicant's Name	Grade Level (s) Served	Project Description	Purpose of Request	Amount Requested	Amount Funded Board	Date Notified		
							Approve	Review Again	Denied
E. V. CAIN	Karen Enghusen	6th	Math & Social Science Integration. Purchase a class set of high quality mathematical compasses to use in geometry studies with in integration with our study of Ancient India.	This will provide quality geometry construction experience using a hands-on link to the arts in Social Studies.	\$250.00		X		
	Randy Ittner	6th - 8th	Accelerated Reader Quizzes. This is to purchase Accelerated Reader Quizzes for E. V. Cain.	Students are highly motivated by this program, and we need more titles for middle school.	\$1,000.00		X		
	Kathy Koester	8th	Document Camera. A document camera is used to project images of documents, visuals, and other items that cannot be used with an overhead projector without losing some of the impact.	This will provide more visuals to enhance the study of history. Seeing provides another way to learn.	\$700.00		X		
ROCK CREEK	Teresa Guevel	4th - 5th	Experiments and Demonstrations. To investigate concepts in the three strands of science (earth, life and physical).	Students will perform a hands-on activity each session followed by discussion of the science concept and how to apply it in other settings.	\$250.00		X		
SKYRIDGE	Joy Hauser	K	Language Development Materials. To purchase seven Smart Talk Readers and four Smart Talk Card Sets. Often, those students who later become "at risk" need extra practice with oral language and vocabulary development skills.	These materials focus on those skills and on English language pronunciation, making it ideal for our English language learners. It can also be used with students with speech and language issues.	\$1,000.00		Share at school what they already have.		X
	Jan Hyatt	K	Project Fitness. This project will allow us to purchase much needed physical education equipment for our kindergarten students. Needed items are jump ropes, balls, nerf balls, hula hoops and koosh balls.	Our equipment is minimal, and it is difficult to address the standards for P. E. without the proper equipment.	\$250.00		X		

School	Applicant's Name	Grade Level (s) Served	Project Description	Purpose of Request	Amount Requested	Amount Funded Board	Date Notified

SKYRIDGE	Gloria Maxwell	4th - 5th	Replace & Expand Student Reading Books. To purchase as replacements new sets of books that will be used to differentiate the curriculum for 4th and 5th graders in Literacy Circles, Leveled Reading Groups and for Accelerated Readings.	We would purchase 6 to 10 sets of high interest books books that would include both classic and contemporary books.	\$250.00		X		
	Mark Maxwell	4th - 5th	Book Binding/ Publishing Center. This project will provide materials for a Portable Publishing Center for students to bind and publish their curriculum writings including State Reports, Theme Magazines, Social Studies and Science Reports.	The current equipment is obsolete and malfunctions. Publishing students' work encourages pride of ownership, self esteem and generates enthusiasm.	\$1,000.00		X		
	Kim Morris	1st - 3rd	Activity Centers That Address First Grade Standards. To create activity centers as part of a classroom management program that divides learners into four reading ability groups. This provides for skill level and content specific instruction.	This allows the instructor to focus on developing reading skills while student teachers or parent volunteers manage the other centers.	\$250.00		X		
	Sue Quail	1st	Reading Rods® Phonics Program. The program includes colorful, interlocking cubes and engaging activities to help my students make the "hand-on" connection between essential literacy skills and reading success. The program would supplement my core reading program.	This program can provide differentiated instruction necessary for the various styles and needs of my students, as well as at-risk ESL students who need extra support and success-building, learning activities.	\$506.00		X
